MOTHER AND 5 CHILDREN LOSE HOME IN FIRE

Fire, believed to have started from an oil burner, destroyed the house trailer occupied by Mrs. Robert Wallen and her five small children, about two miles north of New Chester, Sunday evening at 10:35.

Richard C. Sipe, New Oxford fire chief, estimated the damage at about \$4,000 and said that all contents, including clothing and furniture, were destroyed.

The fire was discovered by the Wallen family upon their return home after attending church earlier in the evening. The New Oxford Fire Co. was summoned but the structure was beyond saving.

Court Writes New Concept In Libel Case

WASHINGTON (AP) — The Supreme Court unanimously threw out today a \$500,000 libel judgment awarded a Montgomery, Ala., city official in a suit against the New York Times and four Negro ministers.

In so doing, the court laid down a constitutional standard that a public official may not recover damages for a defamatory falsehood relating to his official conduct without a showing of actual malice, of knowledge the statement was false or reckless disregard of whether or not it was false.

Justice William J. Brennan wrote the court's decision, while it was unanimous, three justices said it did not go far enough.

BASED ON AD

Justices Hugo L. Black and Arthur J. Goldberg, in separate concurring opinions, expressed regret that the court did not lay down a doctrine of unconditional freedom of the public and press to criticize official conduct.

Justice William O. Douglas noted that he agreed with both concurring opinions.

The libel suit was based on publication of an advertisement in the Times of March 29, 1960. The advertisement had statements critical of the handling of racial demonstrations in Montgomery.

L. B. Sullivan, police commissioner of Montgomery, won the award in Montgomery County Circuit Court with a contention that several paragraphs in the advertisement would be taken as reflecting on him.

37 Students Are Arrested At Fraternity Party Orgy

INDIANAPOLIS (AP) — Thirty-seven college students will appear in court today on charges stemming from what one policeman termed a "regular orgy" at a well-known downtown hotel.

The defendants, 22 males and 15 females, were arrested early Sunday when police raided a fraternity dance and rooms at the Claypool Hotel because of noisy conduct.

"What they had was a regular orgy," said Robert Gigure, a vice squad patrolman. "We would have had to get a pickup truck to haul all the beer cans away."

CHARGES COED

The officer said one student, dressed only in shorts, was arrested as he chased a coed down a hallway. Several coeds were dressed only in negligees. The charges included entering the bedroom of a member of the opposite sex, disorderly conduct, public indecency, un-

derage drinking and larceny. One student was seized with a neon telephone sign taken from the hotel lobby.

The male students and their dates were attending an annual statewide undergraduate meeting of Phi Delta Theta social fraternity. Police said about 600 students were attending the convention. The defendants are students at Indiana, Purdue and DePaul universities and Washington and Hanover colleges.

HURL BEER CANS

An excise officer said he found students drinking at the fraternity's dance. He called police who stopped the dance on the mezzanine and then heard loud noise from upper floors of the hotel.

Gigure said beer cans and bottles were being thrown out of hotel windows onto Washington Street, which carries U.S. 40 traffic through the heart of Indianapolis. (Continued on Page 3)

ALCLOR SAYS PLANS READY

A spokesman for the Hercules Alclor Company at Seven Stars said plans have been prepared for submission to the state air pollution commission at Harrisburg in compliance with a February order issued by the commission.

The state order gave the Seven Stars concern 30 days in which to submit a plan for abating its "air pollution emissions."

The spokesman said the plans have not been sent to Harrisburg but the state commission has been notified the plans are ready and Hercules Alclor has asked for a meeting with the commission to discuss the proposals.

The February order from Harrisburg had directed Hercules Alclor to include in its plans the place and nature of each proposed emission control and the dates for completing such installations.

The first state order on the Seven Stars firm was announced early in December and gave the chemical firm 30 days to submit plans for air pollution control. Hercules Alclor responded by asking a two-month extension of the deadline on the order. The air pollution commission met late in January and the new 30-day order was issued.

Copilot Killed When Plane Crashes Into Chicago Home

CHICAGO (AP)—A chartered DC-3 airplane, trying to make a landing at O'Hare International Airport in misty weather, crashed into a house late Sunday night, killing the copilot. The pilot and 28 passengers escaped.

The pilot, who with the copilot was trapped in the cockpit about two hours, was reported in critical condition in a hospital. But the passengers, returning from a day of skiing in Michigan, escaped without serious injuries.

The two-engine plane crashed through utility lines and into a home in a residential district in suburban Hoffman Estates. Six persons in the home asleep on the second floor miraculously escaped injury. They were rescued by firemen and hospitalized for shock.

PASSENGERS UNHURT

The passengers, 23 men and 5 women, walked from the plane minutes after it plowed through the rear of the two-story bi-level home of Victor Golubski. There was no fire. The plane did not overturn, but part of a wing was ripped off as it landed.

The pilot, Virgil Provost, 40, of suburban Alsip, was rescued by firemen nearly two hours after the plane crashed shortly before midnight. A few minutes later firemen recovered the body of copilot Daniel Jordan of Gary, Ind.

Fire Chief Carl Selka said Provost told him that as he was nearing O'Hare the plane entered a patch of air turbulence. A tower man at O'Hare said he had directed the plane to land when it was eight miles north-west of the airport.

LOST ALTITUDE

A short time later the pilot radioed the tower that he had lost altitude, from 2,500 to 1,500 feet. The tower then directed the pilot to retain altitude. (Continued on Page 3)

TO QUIZ TRIO ON BURGLARIES IN THIS AREA

Hanover police on Saturday night were advised by a teletype from Virginia state police that two men wanted for burglaries in Hanover had been apprehended and were being held in Rock Bridge County jail, Lexington, Va.

Police here today said they plan to check the men concerning some burglaries here.

The men, Ronald F. Kerstetter, 19, and Bernard C. E. Amig, 20, both of Hanover, escaped from police at Westminster, Md., early Saturday, by climbing onto a rear window of the police station and stealing a station wagon from a Westminster auto company. Westminster police at the time were questioning a third youth, James L. Welty, Hanover R. 3, while the two escapees were in an adjoining room.

The teletype advised Hanover police that Kerstetter and Amig had admitted stealing the station wagon and also admitted breaking arrest while being held on charges of auto theft and burglary brought by Hanover police.

GUITARS RETURNED

Westminster police said that Welty had confessed to robbing six places in the Hanover area in the past two weeks, and in the auto driven by the fugitives prior to their apprehension by Westminster police were found two guitars, amplifiers and a horn reportedly stolen from the Menchey Music Service, Hanover. These items were returned to the store owner after his identification. Ninety-three dollars in cash taken from the store was not located.

Hanover police searching Amig's room found a .308 caliber Winchester rifle which was identified as stolen from the W. L. Sterner Store, Frederick St., Penn Township. This was turned over to Penn Township police. Also found was a hi-fi set reportedly stolen from Kisers' TV, Spring Grove. This was turned over to state police from the York substation.

Hanover police said Saturday night that York County authorities were taking the necessary steps for extradition of the escapees from Virginia.

Tracing the noise from room to room, police made the arrests.

It took two hours and a dozen paddy wagon trips to take the young people to jail, where they spent several hours until bonds were made. All were released on bond by Sunday night.

One of the coeds commented: "That's what I always wanted, a criminal police record. A good thing to tell your kinds, I spent the night in the pokey, picked up on sex charges. That slays me." One man bailing his daughter out of jail said, "I thought she had been in an accident when police called. Thank God it's only this."

Copilot

In a few minutes, the pilot of a commercial airliner over O'Hara reported to the tower that he had heard another pilot in the air say over the radio, "I'm going down."

The north wall of the Golubski house was caved in by the plane. The house is near several vacant lots.

Golubski, 52, said the plane struck the house from the east, plowed through a workshop and garage and stopped in a dining room and kitchen.

"If any of us had been down stairs, we'd probably have been killed," Golubski said. "It came in like a locomotive."

Agromony Specialist George Berggren from Pennsylvania State University will lead discussion on cultural practices, week control, fertilization and varieties.

Ribbons will be presented to the 1963 winners in the Adams County 5-Acre Corn Club.

Elisco Aviles, Biglerville R. 1, paid a fine of \$10 and costs before Justice of the Peace Robert P. Snyder Saturday on a charge of failure to comply with the direction of a police officer. ONE HUNDRED YEARS AGO

The following members of Capt. Adair's company, 87th Reg. have re-enlisted and had themselves accredited to Conowing Township: Corp. Wm. D. Holtzworth, Wm. McGonigal, Reuben Jacobs, Samuel Fisher, Basil Little, John E. Snyder, D. P. Riegle, Jacob Rice, Wm. Sheads — all from Adams county; Henry H. Smith, H. A. Zeeber and Amos Burke from Cumberland county. The quota for Conowing (16) was filled out of the 87th Reg. They paid a bounty of \$170.

Governor Curtin of Pennsylvania has written a letter to the President urging the postponement of the draft and the continuation of bounties until the 10th of April. Since the first of February about twenty thousand volunteers have been enlisted in Pennsylvania, in addition to veterans in the field who have re-enlisted. All the members of the Legislature, irrespective of party, have endorsed a copy of this letter with their signatures and forwarded the same to the United States Senate, commending its suggestions to the attention and action of that body.

The effect of the President's Amnesty Proclamation is playing the mischief with the rebel armies west of the Mississippi and especially among the Missourians who are in the rebel service. The latter class of rebel soldiers are flocking to our lines in large numbers and the deserters even embrace a large number of commissioned officers.

The Battle of Gettysburg: The committee on the Conduct of the War have been for some days engaged in taking testimony concerning the Battle of Gettysburg. General Sickles and Doubleday and others have been before them and some singular statements have been made. Senator Wilkinson's raid upon General Meade was based upon facts elicited by his committee. General Meade will no doubt be offered an opportunity to explain the charges made against him by these officers. The committee had a long consultation with the President on Thursday afternoon.

SEVENTY-FIVE YEARS AGO
The Lutheran congregation of Abbotstown will demolish their old church building as soon as the spring opens and the weather permits of building operations and a handsome and commodious two-story brick structure of modern design, erected, the funds for which are already furnished.

Kenton McMillan, son of Oscar D. McMillan, Esq., has been appointed assistant teller in the First National Bank of Gettysburg.

The recently elected borough officers were qualified on the 4th inst. They are, Burgess, Wm. P. Quimby, Esq.; Assistant Burgess, J. Geo. Wolf; Town Council, First Ward, J. Emory Bair, John M. Huber, Samuel Herbst; Second Ward, W. H. Tipton, John A. Livers, Ephraim H. Minnigh; Third Ward, J. Aug. Tawney, John Homan, Emmanuel P. Wisotzkey. The council will organize this evening.

Tomorrow evening a discussion will be held in the Hunters-town School House of this question. Resolved, That the Prohibitory Amendment should pass. The following gentlemen have been chosen to debate the question: Affirmative, Messrs. Harry Deatrick, R. S. Patterson, S. Daugherty, Wm.

Today's Talk

FAULT COLLECTORS

There is one individual in this world from whom you want to run away as quickly as possible — that one who is forever bringing to your attention the faults of others. A collector of faults, he might be called. We all know such a one. No wonder such an individual is unhappy, for its a tough assignment to carry such a load.

On the other hand, he who is forever seeking the good in people is the most welcome of all individuals, happy in himself, for he is a distributor. We each welcome the job of taking from his hand, and treasuring every good thing that he may hand out, as something that he has gained from the good in someone else. No burden for such a one to carry around! And no burden for any of us who receive.

You know the fault collector at once. Those very faults of others hang all over himself! You have to know your own faults very well in order to recognize them in others. Also if you are always looking for the good points in others, their outstanding good qualities, you are sure to add those very qualities to yourself, becoming richer for having done so.

Anyone can become a faulty collector. It's an easy pursuit. Good qualities, however, often lie deep and you have to dig for them. They are not so well advertised as are faults. They often shine in silence.

I like to think of "Pippa," in Browning's poem "Pippa Passes." She had but on vacation during the entire year, and she spent that looking for the good in people and the beautiful in all nature. No wonder her voice was given to song and her heart vibrated with supreme happiness. Everything about fault-finding is destructive.

You always feel better after having said something fine about a person. You feel like getting into some dark place however, after having revealed faults — and sent the news on its destructive way. The world cries for good-will collectors!

Just Folks

HUMAN NATURE

I am as good as I can be
When from temptation I am free,
When my particular delight
Is absent I defend the right
And very properly I frown
On sins which drag my neighbor down.

Against the stronger I am meek
And often turn the other cheek,
But when I have the upper hand
I am not then so oily bland.
Assured of safety, wrong or right,
I'm always brave enough to fight.

I would immediately destroy
All forms of sport I don't enjoy,
Without the sins at which I scoff
I'm sure the world were better off,
But asked to put my comfort by,
Into a furious rage I fly.

I pity those who cheat and steal,
For murderers pity off I feel,
But when I'm wronged I seem to find
It difficult to be so kind.

Denied the privilege of bail
I want the rabble thrown in jail.

The Lenten Story

BY WOODY ISHMAEL

ART THOU THE CHRIST?

Shortly before daybreak, Jesus was led into the Sanhedrin to be questioned by the chief priests and elders of the people.

"Art Thou the Christ? Tell us," they asked Him. And He said to them, "If I tell you, ye will not believe; and if I question you, you will not answer Me or let Me go. But henceforth, the Son of Man will be seated at the right hand of the power of God."

And they all said, "Art Thou, then, the Son of God?" He answered, "Ye say that I am." (Luke XXII:69-70) "What further need have we of witnesses?" asked the high priest. "Ye have heard the blasphemy: what think ye? And they all condemned Him to be guilty of death." (Mark XIV:64)

Alonzo Stagg, 101, Remains Critical

STOCKTON, Calif. (AP)—The condition of football's grand old man, 101-year-old Alonzo Stagg, remained poor as uremic poisoning and old age took their toll.

Spokesmen at Hillhaven Convalescent Home, where Stagg has been a patient for two years, said he spent a relatively comfortable Sunday afternoon although his temperature rose slightly.

Earlier he was given fluids by mouth after two days of intravenous feeding.

Stagg, the only man honored in football's Hall of Fame as both player and coach, did not retire until he was 98. He is a Yale graduate and gained coaching fame at the University of Chicago.

SUSQUEHANNA RIVER POSES FLOOD THREAT

HARRISBURG (AP)—A new flood threat hung over residents of the Susquehanna River Basin today.

A round-the-clock emergency watch was being maintained as intermittent rains and the possibility of thunderstorms threatened to reverse the river's falling trend and send it spilling once again into the lowlands. The federal-state River Forecasting Service warned Sunday night that if the rainfall during the next 24 hours reaches the amount expected, a definite flood threat will exist.

CREEKS FLOODED

An official of the service said rains of 1½ to 2 inches could start the river rising again. In addition, creeks that feed the big Pennsylvania waterway, already running one-half to near bank full, could overflow again.

The service said light rain over a period of days would not have much effect on the river's rising. However, heavy rain over a short period of time could bring the river to the level it was Friday and Saturday, spilling over into lowlands, flooding fields and damaging homes.

A big question mark continued to be the amount of melt-off which might be expected from new fallen snow in Northumberland, Sunbury and in Tioga, Bradford and Susquehanna counties.

The minor flooding along the river last week caused little damage, although at least 14 families had to be evacuated from their homes.

State Police said Route 11 between the Shamokin Dam Traffic Circle and the White Bridge at Northumberland was still under water. Traffic was being rerouted along Route 15 from West Milton to Lewisburg.

SCHOOL PARTY HELD

A party for the students of the Littlestown Junior High School, Grades Seven through Nine, was held on Saturday evening in the school foyer. Approximately 200 students and faculty members were in attendance. There was dancing to recorded music. Games were played and refreshments were served. Arrangements were in charge of Grade Nine. The party theme was "Spring Wing-Ding." A large rainbow accented the decorations made of kites and colored crepe paper. The faculty advisors for the affair were Mrs. Ruth W. Elder, James L. Rhoades and Clifford Ruhland.

The meet at the Arena has been designated for the second straight year as the indoor championships of the U.S. Track and Field Federation. Camien, who has pushed O'Hara to supreme efforts this season, will shoot for the mile mark of 4:01.4 set by Jim Grelle on the Milwaukee track in 1961.

O'Hara, the skinny runner who did 3:56.4 in the mile at Chicago last Friday, is preparing for the Olympics and chose to pass up the Milwaukee meet.

GOLD'S DRAMA IS PLAYED BY WORLD CAST

By SAM DAWSON
NEW YORK (AP)—There's an international cast in the gold drama today. Often the players are acting at cross purposes.

A sudden spurt in the price of gold in London after months of quiet came on the same day the U.S. Treasury announced apparent victory in holding down the drain on its gold reserves and the House of Representatives passed a bill aimed at further safeguards.

To understand how fluid, complex and flammable the situation is you have to mix:

TEMPERAMENTAL CAST

The Russian's hunger for wheat, the Italian's worry about the falling purchasing power of his lire, the Englishman's spending spree, the Frenchman's preference for the good hard metal, and the American's nervousness over the outflow of dollars into foreign stocks and short term securities.

It's a temperamental cast. Even the most expert of international directors can't be absolutely sure how the next performance will go.

Here's how it looks in the early days of March:

The price of gold on the London free market last week jumped 1.875 cents an ounce to \$35.095 to end months of quiet trading. The heavy demand apparently came from Italians who have been sending capital out of their country because of fear that mounting inflation would weaken the value of the lire.

DRAIN NEARLY HALTED

The U.S. Treasury has been losing very little gold in recent months, halting the disturbing drain of previous years. In 1963 the total loss was \$391.7 million, smallest since 1957. The net loss in the last three months of the year was only \$15 million. The gold story doesn't end on this happy note, however.

The British have been having a buying spree and sudden economic expansion following a tax cut. To curb a boom that might become a bust and to head off threatening inflation, the Bank of England has just raised its interest charges to 5 per cent from 4. Consumer and business borrowing costs are expected to rise accordingly — and yields on investment money would go up.

If they became too attractive, idle dollars here might be once more lured across the Atlantic in volume — or so banking circles fear. Any such flight of dollars would build up surpluses that foreign banks could turn into the U.S. Treasury for more of its gold.

Penn State Star Signs With Browns

CLEVELAND (AP)—Dick Anderson, Penn State University's leading pass receiver last season, has signed a contract with the Cleveland Browns, the National Football League club announced today.

He starred on both offense and defense with the Nittany Lions, but is expected to make his bid with the Browns strictly on offense.

Anderson, who is 6-foot-4 and weighs 220 pounds, caught 21 passes for 229 yards and two touchdowns for Penn State last fall.

Bullets Tie For Eighth Place In MAC Tourney; West Chester Repeats

A pair of third place finishes enabled the Gettysburg College wrestling team to roll up 17 points and finish in a tie for eighth place in the annual Middle Atlantic Conference wrestling championships at Bucknell University over the weekend.

West Chester State College successfully defended its crown by registering 65 points on the strength of three first place finishes. Temple followed with 46 points, Lycoming recorded 44 and Hofstra came in with 41.

LOSE IN SEMIS

Hayes Kline and Joe Bavaro were stopped in their drive for the title as was Pete McDowell. All three entered the semifinals Saturday afternoon. After winning his first two outings, but in the semifinals lost to Lilley of Temple, 5-2 in overtime. Both wrestlers had battled to a 2-2 draw at the end of the regulation bout. Bavaro defeated Lilley 7-4 earlier in the season in a dual match.

Jack Gleason rolled to a 6-2 win over McDowell in the 157-pound class. Gleason later went on to capture the MAC crown. McDowell was later eliminated from the competition. Kline clinched third place by defeating Ed McGinley of Wilkes, 2-1. Bavaro's third place finish came on a 5-0 decision over Dave Mahler of Lebanon Valley.

Although Ken Robinson of Hofstra went on to win the 150-pound class, the Bullets' Phil Yost was stopped in his try for a place. Jim Stouffer, who won his first bout and lost his second to Gotsch of Drexel, was eliminated when Gotsch lost his next tussle.

Ron Knoebel, Lycoming's 137-pounder, was voted the tourney's outstanding wrestler. He succeeds Hofstra's Ken Robinson.

The new MAC champions include: 123—Frank Bessey, West Chester; 130—Ken Robinson, Hofstra; 137—Ron Knoebel, Lycoming; 147—Tom Parlett, West Chester; 157—Bill Sanders, West Chester; 167—Jack Gleason, Hofstra; 177—Bob Orachin, Lycoming; heavyweight—Steve Speers, Temple.

13 Persons Safe In Crash Landing

BOSTON (AP) — A Trans World Airlines airliner with 13 persons aboard made an emergency landing at Logan International Airport today without serious difficulty after circling for an hour to use up fuel.

The main wheels operated properly and held during the landing.

The pilot radioed just after leaving Washington for Baltimore that he was experiencing difficulty with the nose wheel. The four-engine Constellation was diverted to John F. Kennedy International Airport in New York but poor weather forced it to continue on to Boston. The flight originated in Dayton, Ohio.

OFFERS CLAY \$750,000 TO FIGHT FLOYD

NEW YORK (AP) — Fight promoter Al Bolan has an offer out guaranteeing Cassius Clay \$750,000 to risk his heavyweight title against former champion Floyd Patterson.

He also has a "no thank you" note on the way.

At least that's the word from Bill Faversham, Clay's manager.

"Not interested," Faversham snapped when contacted in Louisville, Ky., after Bolan said he had wired the offer to the new champion and his manager Sunday night.

Patterson, Faversham continued, "is a very nice young man but probably one of the worst heavyweight champions."

Patterson, as usual, was not immediately available for comment.

Bolan, however, said the 29-year-old two-time heavyweight boss wanted the fight so badly he was willing to sign for the bout without a purse.

"That's one of the reasons I am able to offer Clay so much," he said, and added that "it's the largest guarantee ever offered a fighter."

BISONS, BEARS DIVIDE PAIR

By THE ASSOCIATED PRESS

Quebec and Buffalo, at opposite ends of the American Hockey League ladder a year ago, are still poles apart. But the Aces, also-rans in 1962-63, and the defending champion Bisons have reversed roles.

Quebec clinched its first playoff berth in a five-year AHL tenure Sunday night by bombing Springfield 7-3. Buffalo defeated Hershey 4-3 in overtime.

It was eliminated formally from post-season play when Rochester nudged Cleveland 1-0.

The defeat cost Cleveland its division lead. Pittsburgh replaced the Barons atop the West by beating Providence 4-2. The Hornets have 73 points, Cleveland 72.

Quebec moved eight points up on second place Hershey in the Eastern race as Bob Blackburn, Terry Gray, Bill Sutherland and Wayne Hicks all fired second period goals. Jim Anderson scored a pair of goals for the Indians.

Saturday night Hershey tipped Buffalo 4-3 in overtime, Pittsburgh trimmed Cleveland 4-1 and Providence played Springfield to a 3-3 standoff.

Art Wall Wins Puerto Rico Open

SAN JUAN, Puerto Rico (AP) — Art Wall Jr., seldom a winner since 1959, when he was named Golfer of the Year, is back in business today after a near sweep of the Caribbean winter circuit.

The 40-year-old pro from Pocomo Manor, Pa., outshot young Jay Dolan in four extra holes Sunday and won the Puerto Rico Open. The victory was Wall's third in four tournaments on the southern swing, giving him the over-all point title.

Wall, Masters champion and leading money winner five years ago, captured the Maracaibo and Bogota tourneys before his sudden death victory over Dolan, 24, of Leicester, Mass., on the new Dorado Hilton course. Art started his comeback — he hadn't won a major tournament since 1960 — by taking the \$30,000 San Diego Open in January.

Billy Cunningham of North Carolina, Frank Christie of Wake Forest and Bob Leonard of Wake Forest rounded out the top five.

FOUR DISTRICT TITLES WILL BE WON TONIGHT

By THE ASSOCIATED PRESS

Uniontown, state champion two years ago, clashes with red-hot Midland in the Pittsburgh Civic Arena tonight for the WPIAL (Dist. 7), Class A basketball championship.

Three other district titles will be decided in this, the last night of PIAA intra-district action in Class A. Two Class B championship games Tuesday round out intra-district play altogether.

In Class C, inter-district competition gets underway tonight as Conshohocken, District 1 champ, plays Northwestern (Dist. 12) at Scranton and Coudersport (Dist. 9) faces Lawrence Park (Dist. 10) at Otto-Eldred.

RAMBLERS OF LOYOLA FACE TOUGH SERIES

CHICAGO (AP) — All Chicago Loyola's Ramblers must do for a successful defense of their national collegiate basketball title is run a probable gauntlet of the country's four top teams.

"We think we're as good as anybody," said Rambler Coach George Ireland today in contemplating possible showdowns, in order, against nationally second-ranked Michigan, third-ranked Kentucky, fourth-ranked Duke and top-ranked UCLA.

Loyola begins its NCAA defense Tuesday night against champion Murray State of the Ohio Valley Conference at Evansville, Ind. and Ireland is putting first things first.

"Like the coaching code says, we'll play 'em one at a time, and you only get one shot in this thing," said Ireland, whose ninth-ranked Ramblers finished with a 20-5 record.

An Evanston triumph over Murray State would take Ireland's Ramblers to Minneapolis for a Friday night meeting with Michigan, which captured the Big Ten berth in the Midwest Regional.

The Michigan-Loyola winner probably will face Kentucky in the Midwest title game at Minneapolis Saturday night.

The survivor at Minneapolis goes to the March 20 NCAA semifinals at Kansas City against champion of the East Regional at Raleigh, N.C., which figures to be Duke.

Palmer Near HIS 3RD TITLE

PENSACOLA, Fla. (AP) — Arnold Palmer had the record going for him today as he teed off against Gary Player and Miller Barber in an 18-hole playoff for \$4,000 in the Pensacola Open golf championship.

Palmer, gunning for his second straight Pensacola Open title and third in five years, has won 11 of his 40 championships on the PGA tour in playoffs. Player has lost every one of the seven playoffs in which he has participated in the United States. Barber is competing in his first playoff.

The 34-year-old Palmer sank a pressure-packed seven-foot putt on the final green Sunday to get into the playoff on the 6,380-yard, par-72 Pensacola Country Club course. It gave him a 69 and a 14-under-par 274, the same scores posted by Player and Barber 15 minutes later.

Palmer, 13-under par as he came to the final hole, was playing ahead of Player and Barber, who were both 14-under par through 17 holes. Gunning for a birdie to tie, Palmer drilled a five-iron shot that stopped seven feet to the left of the hole. With Player and Barber watching from the 18th fairway, Palmer sank the putt.

The two losers in the playoff will receive \$2,300 apiece while all three players will split half of the gross receipts. The tournament sponsors get the other 50 per cent.

TIME SHORT FOR ROYALS

By THE ASSOCIATED PRESS

Time is running out on the Cincinnati Royals' bid to grab the top spot in the National Basketball Association's Eastern Division and the Boston Celtics aren't helping much either.

The Celtics shoved the idle Royals a full three games back on Sunday by whacking the Detroit Pistons 128-118. With each club having just four games left to play, the Celtics need only a split to clinch their eighth straight division title.

In other games Sunday, New York walloped Philadelphia 140-108, and St. Louis dumped Baltimore 135-117.

Bill Russell hit on seven of 10 field goal attempts and snared 17 rebounds as the Celtics galloped to a 67-65 halftime lead. Boston opened its margin to 22 points in the third period and coasted the rest of the way.

In the Western Division, the St. Louis Hawks, who've been casting covetous eyes on the lead, cut the San Francisco Warriors' margin to one game with their victory.

Black Hawks Aim At Montreal Win

CHICAGO (AP) — The big bad Chicago Black Hawks are aiming their guns at Montreal next Saturday and Coach Billy Reay feels a victory against the Canadiens could give his club its first National Hockey League championship.

For nearly a month now, every Sunday night the Hawks have found themselves tied with Montreal in total points for first place, but the Canadiens always have had two more games to play, which means a potential of four additional points.

However, aided by phenomenal Kenny Wharram, the Hawks came from behind Sunday night for a 4-3 victory over Toronto and moved two points ahead of Montreal, which played a scoreless tie with New York's scrappy Rangers. In the other game Detroit defeated Boston 5-3.

WILL APPEAL VERDICTS IN SINATRA CASE

LOS ANGELES (AP)—Families of two young men sentenced to life in prison for kidnapping Frank Sinatra Jr. hope the sentence will be reduced and attorneys for all three defendants say they'll appeal the convictions.

The families and attorneys contend the jury was wrong.

WRONG VERDICT

Attorney George Forde, after speaking to the family of 23-year-old Joseph Amsler, said: "They told me the verdict was wrong — that it doesn't change their views, and that the sentences were so excessive as to be beyond the sense of reality."

The other two defendants were Barry Keenan, also 23, and John Irwin, 42. Keenan and Amsler, who abducted the 20-year-old singer from a Lake Tahoe, Calif., motel Dec. 8, were convicted Saturday on all six counts of a federal grand jury indictment.

LIFE PLUS 75 YEARS

They were both sentenced to life imprisonment plus 75 years, but first will undergo psychiatric examination. Federal Judge William G. East, in sentencing the pair Saturday, said their prison terms may be modified after the tests are completed in about 90 days at the Federal Medical Facility in Springfield, Mo.

Irwin's sentencing was postponed pending completion of a probation report. He was convicted on five counts, could serve 75 years in prison. He was acquitted of taking part in the actual abduction, for which the others got life terms.

Considering ETV Sunday Programs

PHILADELPHIA (AP) — Educational Station WHYY-TV, Channel 12, is contemplating adding Sunday telecasts to its present Monday-Friday schedule, according to General Manager Warren Kretzer.

The station plans the stepped-up schedule about two or three weeks after it moves into new studios, previously occupied by WFIL-TV, in late April or early May.

Kretzer said the station also will remain in operation 12 months a year, beginning this summer, instead of going off the air at the end of the school term.

5,200 Bus Workers Strike In Jersey

NEWARK, N. J. (AP)—A bus strike affecting a million New Jersey riders began this morning.

The struck bus line was Public Service Coordinated Transport, the biggest in the state. Its drivers completed their midnight runs early today and then left the job.

Union and management negotiators met for 12 hours Sunday trying to head off the strike, but the bargaining session broke up at 12:25 a. m. today with no agreement.

The walkout involves 5,200 drivers, mechanics and maintenance men. Public Services buses serve 367 communities throughout New Jersey and also carry 100,000 commuters daily between northern New Jersey and New York City and about 20,000 in the Camden-Philadelphia commuter area.

WOULD LOWER DRAFT AGE IN POVERTY WAR

WASHINGTON (AP) — President Johnson will ask Congress to lower the draft age from 18 to 17 to give his "war on poverty" a chance to add needy youngsters a year earlier, an official source reported today.

These subjects for the war on poverty, the source said, will be the 500,000 each year who fail the Army's General Classification Test. They will be given a chance to enter special work schools where they will take special education and vocational courses.

This is a key provision in the message on poverty, expected to go to Congress today or Tuesday.

"IDEAL DEVICE"

Searching for a practical approach to the problem of school dropouts, the task force assisting Sargent Shriver, head of the war on poverty, decided the device was the ideal screening device to pinpoint young men who need extra help.

All youngsters must take a general psychological and intelligence test when they register for the draft at 18.

"There are some 500,000 youngsters each year who fail this test," the high official source said. "You know if they fail this test, they're probably going to fail any test, and they're probably not going to be able to hold down any decent job."

"IT'S PERFECT"

existed, we probably would have had to create it. It's perfect for our purpose. This gives us names and addresses of persons who need help."

Originally, the source said, Shriver wanted to lower the draft age to 16, but technical problems made this impossible. He added, "Lowering it to 17 gives us a year's head start in trying to reclaim these youths."

The special schools, or academies as they probably will be called, will be similar to the work camps of the old Civilian Conservation Corps (CCC) in

Blaze Destroys 196-Yr.-Old Home

READING, Pa. (AP) — Fire Sunday destroyed the 196-year-old summer home of Lee R. Heffner, Berks County auto dealer, near Kirbyville, about eight miles north of here.

Fleetwood Fire Chief Kohn L. Madtes estimated the damage to the structure, recently modernized, at \$15,000.

Cause of the blaze was undetermined. Fifty firemen fought the blaze for two hours before bringing it under control.

MAYS LANDING, N.J. (AP) — Robert Matalavage, 23, of Shenandoah, Pa., was among three persons killed Sunday in the collision of a station wagon and a car on a Route 50 curve. Matalavage was a passenger in the station wagon driven by James Berchold, 34, of Egg Harbor, N.J. Berchold and Malvern Peterson, 30, of Mays Landing, driver of the car, also were killed. Andrews Assails Party's Leaders

HARRISBURG (AP)—Former House Speaker H. G. Andrews has coupled his endorsement of Genevieve Blatt for the U.S. Senate with a general attack on Pennsylvania's Democratic leaders.

Miss Blatt, Secretary of Internal Affairs, is seeking the Democratic nomination for the Senate against the organization-backed State Supreme Court Justice Michael A. Musmanno.

"In my opinion, the Democratic party high command in Pennsylvania has ceased to maintain sympathetic contact with the party's grassroots rank and file," Andrews said over the weekend.

"Genevieve Blatt's candidacy will re-establish that contact," he added.

WASHINGTON (AP)—A congressman says the Marines may be gung-ho, but they don't dress the part.

"I believe strongly that all of you on duty in Washington should wear dress blues at all times," Rep. Daniel J. Flood, D-Pa., told the olive-clad Marine witnesses at a recent closed hearing of the House Appropriations subcommittee on Defense.

Find Child's Body Near River Bank

YORK, Pa. (AP) — The body of a two-year-old Dallastown boy, object of a four-day search was recovered Sunday from Codorus Creek.

The death of Floyd Schell III, pulled from the water about 100 yards from the Impounding Dam Bridge, was ruled an accidental drowning by Dr. Thomas Hart, York County coroner.

Some 200 volunteers joined in the search after the boy disappeared Thursday from his home three miles upstream from the dam.

Find Body Of Tot Drowned In Dam

PAINTED POST, N.Y. (AP)—State Police checked missing person reports today in New York and Pennsylvania in an effort to identify the nude body of a young Negro girl that was found on the banks of the Tioga River.

The body of the girl, who appeared to be 3 or 4 years old, was found Sunday by three children playing near the river bank, three miles south of this village in south-central New York.

An autopsy was scheduled today to determine the cause of death.

Police said the body had been washed up on the bank by high water in the Tioga, which flows north from Pennsylvania and empties into the Chemung River at Painted Post.

Police said no child answering the girl's description had been reported missing from this area.

Held For Attack On Policewoman

PHILADELPHIA (AP)—Theodore Wright, 21, is being held without bail on charges of assault and battery and carrying a concealed weapon in connection with an attack on Martha Brown, a 34-year-old policewoman.

The policewoman, who works in Juvenile Aid Division, was on a missing persons assignment when the attack occurred, authorities said. She was not in uniform.

She said she was walking near an intersection Sunday and was knocked to the ground by two men and then hit two more

HOLD MAN FOR THREAT TO LBJ

MANCHESTER, N.H. (AP)—A 32-year-old ex-Marine was held today after allegedly admitting to mailing threatening letters to President Johnson.

Authorities said Norman J. Estes of Nashua also told them he had planned to go to Washington, buy a rifle and await an opportunity to shoot the President.

Estes waived preliminary hearing before a U.S. commissioner Sunday after being arrested. He was held for further action.

Nashua Police Chief Paul J. Tracy said Estes admitted mailing three threatening letters to Johnson.

Tracy quoted Estes as saying he received a general discharge from the Marines and had lost several jobs when his service record became known.

Urges Christian Aid For Migrants

PITTSBURGH (AP) — The existence of millions of voteless, jobless minorities and migrant workers should remind Christians that they are "their brother's keeper," says a New York City clergyman.

"God is in every pocket of poverty," Dr. Elder G. Hawkins, pastor of St. Augustine United Presbyterian Church said Sunday, "and we must be there to meet Him."

Dr. Hawkins spoke at a closing session of the Pittsburgh Area meeting of the National Council of United Presbyterian Men. The group met for three days in Pittsburgh.

He urged the men to treat each person as if "his health is our health and his poverty our poverty."

Two Boys Missing In Swollen River

PITTSBURGH (AP) — Three teen-age boys jumped from a boat in the swift Allegheny River Saturday. Two of them disappeared and are presumed drowned.

Police said Anthony Kasing, 14, and Frank Wedelesky, 17, both of suburban Penn Hills jumped from the boat when they and their companion thought it was going to capsize.

The companion, David Richards, 18, grabbed one of the other boys but couldn't hold him, police said. Richards was treated at a hospital for exposure and released.

The mishap occurred in Penn Hills.

HIGH SPEED YOUR SPEED

Plymouth rocks racing world with sweep in Daytona "500"

According to the record book for stock cars in competition, there is no higher average speed for 500 miles than the 154.334 m.p.h. set by a competition-equipped 1964 Plymouth in winning last month's Daytona "500."

Adding to that glory is the fact that two more 1964 Plymouths finished 2nd and 3rd for a decisive Plymouth sweep. That suggests that Plymouths were not only the swiftest cars in the competition, but that they're built to stay in there all the way.

For the millions of racing fans and high-performance enthusiasts across the country, Plymouth is proud of its "high speed" victory at Daytona.

Plymouth beats Ford & Chevrolet in tests of showroom V-8s

This competition was more "your speed." At Plymouth's request, an independent testing company bought and compared showroom models of Plymouth, Ford and Chevrolet.

The cars were comparably equipped standard V-8s — cars people buy. And the tests were of "things people buy a car for" — acceleration, handling, braking, and gas economy.

In test after test, Plymouth accelerated best, handled best, braked best, and got the best gas mileage. This is the kind of competition Plymouth most likes to win. "High speed" or "your speed," these 1964 Plymouths are tough to beat!

A Lovelier You

FLATTERING HAIR STYLES.

In company with fashions and make-up, new hairstyles endorse a soft, feminine, natural look. There are absolutely no gimmicks. And that is as it should be, for harmony is the secret of a beguiling appearance.

Among current hairstyles, two patterns seem to prevail. One is almost smooth and contours the head—a cap with a hint of wave. The other swings free: deep waves frame the face, bouncy half-curls ring the ends and soft bangs range the forehead.

Charming in themselves, both styles lend themselves to adaptations that most flatter an indi-

vidual wearer. For example, both can be sized to complement your figure proportions, or detailed to minimize a negative feature. And therein is a terrific advantage. You wear your hair style; unlike the tail that wags the dog, it doesn't wag you.

Manageability, the final test of successful styles, is implicit in the new crop. If you have a professional shaping and a "holding" permanent—the just-right amount of wave for your hair—care is routine.

All you'll need to do is brush daily, touch-up your set occasionally, and have a weekly shampoo. Of course, such grooming aids as pomade and spray would not go amiss. Not if you want a coif that is the picture of natural perfection!

Today In Washington

WASHINGTON (AP) — In the news from Washington: **BUSINESS CORPS:** A committee of six business executives has been named to set up a volunteer "Executive Service Corps" to help private enterprise in less developed countries.

The businessmen volunteers would offer their services for limited periods to businesses abroad asking their services.

Unlike the Peace Corps, the Executive Service Corps will be run by the American Business Community. No government aid is planned except for the possibility of limited funds from the agency for international development.

JOHNSON TO KHRUSHCHEV: In a brief letter, President Johnson has rejected Soviet Premier Khrushchev's criticism of U.S. efforts in the Cyprus dispute.

But he told Khrushchev he agreed with him on one point:

"It is certainly true that avoiding the aggravation of the situation in the Eastern Mediterranean is in the general interest of us all. We should all strive not to enflame passions from without. I can assure you that is the firm intention of my government, and I sincerely hope... that it is also that of your government."

RUSSIAN WHEAT: Reports from abroad indicate the Soviet Union will harvest a near normal wheat crop this year in contrast with its poor one last year.

The Agriculture Department said these favorable signs are a factor in recent reports the Russians are not planning to buy as much wheat from the United States as had been anticipated.

The Russians have seeded seeded more winter wheat for this crop and so far there have been no reports of heavy winter damage such as last year, the department said.

SAVINGS: The General Accounting Office, Congress' watchdog, says it saved taxpayers more than \$218 million last year keeping tabs on the books and operations of government agencies.

But, the GAO said in its 159-page annual report Friday, many of the savings and improvements brought about by its efforts cannot be measured in dollars and cents.

Those that can, it added, amounted to \$218,380,000.

SALUDA, Va. (AP) — Three persons from Windsor, Pa., including a brother and sister, have been killed in an auto accident on U.S. 17 near this eastern Virginia community. Dead are John L. Dunlap, 20, a sailor assigned to the aircraft carrier Intrepid in Norfolk; his sister, Shirli Ann Dunlap, 15, and Miss Linda Louise Fuhrman, 13. Police said their car veered off the highway Saturday and crashed into a large pine tree.

PHILADELPHIA (AP) — A sure sign of spring, the Philadelphia Flower Show has opened, with exhibits valued at about \$1 million. The 37th annual show, which began Sunday at the Trade Convention Center, draws visitors from throughout the Commonwealth. It is sponsored by the Philadelphia Flower Show Inc. and the Pennsylvania Horticulture Society.

Carpet Co., of Bloomsburg, Pa., and C. H. Masland & Sons, of Carlisle, Pa., have signed consent agreements to cease price discriminations among retailers who compete in selling rugs and carpets, the Federal Trade Commission reports. The FTC complaints alleged that each concern sold its products under a discount system which resulted in smaller customers paying higher net prices than did their larger competitors. Consent agreements do not constitute admissions of law violation.
